High Risk Emergency Medicine Hawaii is a course designed to address those topics that, due to the risk of misdiagnosis or misadventure, produce the greatest anxiety and concern in the daily practice of emergency medicine. Offered by the Department of Emergency Medicine at the University of California, San Francisco, nationally renowned for emergency medical and trauma care, this conference will meet the needs of the practitioner who encounters a high risk condition in their daily medical practice. This includes practicing emergency physicians as well as internists, family practitioners, and others who practice in an urgent care, high risk, or emergency department setting.

## OBJECTIVES

The purpose of this course is to improve competence and efficiency in diagnosis and management of patients with emergency presentations, adopt the latest treatment guidelines, and minimize the risk of malpractice.

## ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **29.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- Optional EKG workshop on April 14 include up to **3.0 additional AMA PRA Category 1 Credits™**.
- Optional workshops on April 16 include up to **4.5 additional AMA PRA Category 1 Credits™**.
- The General Session offers **22.0 AMA PRA Category 1 Credits™**.

**Nurses:** For the purpose of recertification, the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credit™** issued by organizations accredited by the ACCME.

**Physician Assistants:** AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and **AMA PRA category 1 credit™** from organizations accredited by the ACCME.

**Pharmacy:** The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for **AMA PRA Category 1 Credit™**

**Geriatric:** The approved credits shown above include **6.5** credits toward satisfying the requirement under California Assembly Bill 1820, Geriatric Medicine

### **Pain Management and End-of-Life Care:**

Approved credits include **6.5** from the General Session and Optional Workshops toward meeting the requirement under California Assembly Bill 487, Pain Management and End-of-Life Care.

The approved credits shown above include **16.00** credits toward satisfying the American College of Surgeons Committee on Trauma requirement for trauma related continuing medical education.

**Certified Stroke Rehabilitation Specialist:** The approved credits shown above include **2.5** credits toward satisfying the National Stroke Association's requirements for maintenance of Certified Stroke Rehabilitation Specialist (CSRS) certification."

**Family Physicians:** Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

**Emergency Physicians:** Application for ACEP Category I credits has been filed with the American College of Emergency Physicians.

### **American Board of Internal Medicine MOC**

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **29.75** MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### **American Board of Pediatrics MOC**

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn **29.75** MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

**IMPORTANT:** The online course evaluation must be completed by the due date specified – no exception. Within 45 days after submitting your evaluation, we will report your MOC points.
